

# The Wind and the Sun

It is a cold winter morning.

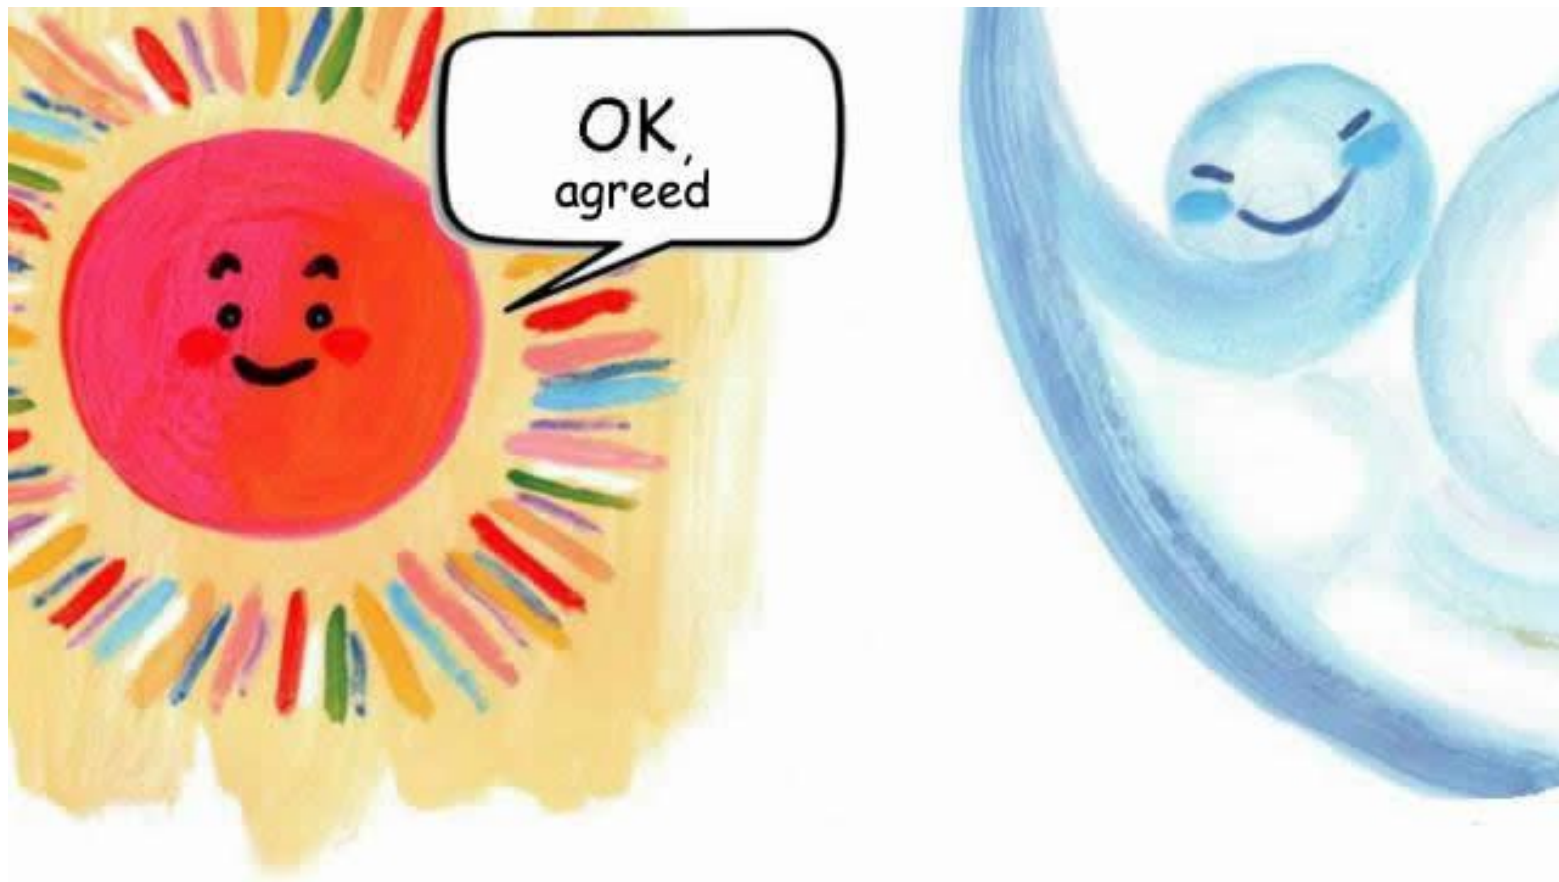

The wind says "I am stronger than you, sun."

The sun replies. "Let's have a contest".

The wind says "OK, let's see who can make the man take off his coat".

The sun replies "OK, agreed"

The wind blows very hard. The man holds on to his coat.

The sun shines down on the man. He becomes warm.

Soon, the man is hot. He takes off his coat. The sun wins the contest

Moral: Being big and mean is not always best.
